## What is Pollo.lol?

- **Truth Protocol:** Establishing a decentralized platform for reliable predictions and opinion sharing.
- **\$1 Investment:** Minimizes financial risk while offering potential high rewards (up to 25% of the entire pool)
- **Genuine Participation:** Encourages true beliefs over speculative betting, enhancing accuracy.
- **Alternative to Mainstream Media:** Provides a trustworthy source for objective insights, combating misinformation.

## How does it work?

- **Diverse Topics:** Engage in prediction and opinion markets on various subjects.
- **\$1 Contribution:** Everyone pools \$1 on their chosen option.
- **Lottery for Winners:** Correct answers enter a lottery for the entire pool.
- **Reward Structure:** *Winners can earn up to 25% of the pool, with at least 3% users guaranteed a \$5 return.*

## Example Market: 2024 US POTUS Winner
